

Safety and reliability that you can trust

CASH, NOTE & COIN BAGS

Britton Decoflex is a leader in the supply of specialist cash, notes and confidential document packaging for the international banking and finance sectors. The company tailors its solutions to the needs of the customer to include corporate branding, denominations and other critical information.

Our company also offers a wide range of closures and seals as well as a variety of print and finishing techniques to ensure the required levels of protection, durability and visibility.

The secure transit of high value currency including, cash, notes and coins presents problems of logistics, safety and hygiene. These can be overcome by specifying the Britton Decoflex range of bespoke-engineered high strength polymer bags, wrappers and film.

We provide tailored packaging solutions according to the needs of the individual customer and its experience in the provision of packaging for the cash and coin sector is unrivalled in the UK. The company has led the field in many innovations including its "Fraudeter" closure system.

A comprehensive range of cash, note and coin bags, envelopes, wallets and pouches combines high security with traceability. Options include universal or unique bar-coding, write-on panels and high resolution coding for CCTV imaging. RFID track and trace is also available for maximum security.

Britton Decoflex can also supply many options of tamper evident and tamper resistant closures, as well as security printing with specialised inks, coatings and treatments.
