THE FUTURE HAS ARRIVED

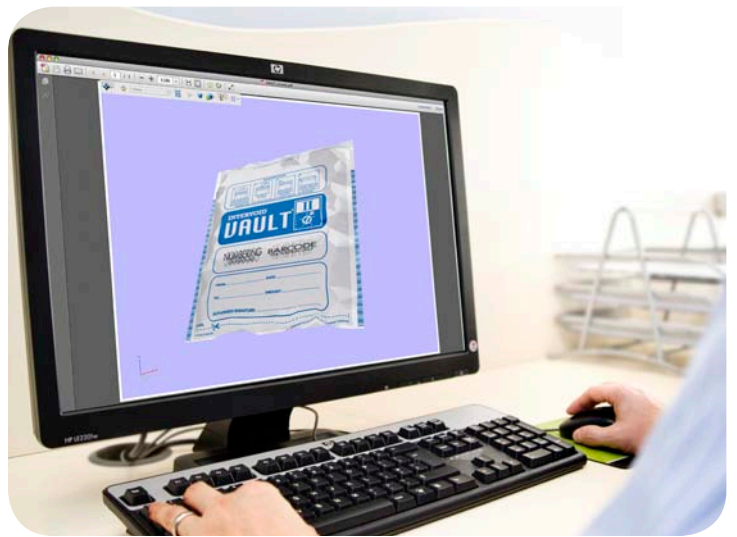

Decoflex are proud to announce that the next generation of Security Bags has just arrived.

We have removed the need for a traditional weld or glue attached security tape. All of the benefits of integrated tamper evidence, no compromise in product security, guaranteed.

Our technical specialists have combined technology with advancements in our manufacturing processes to come up with a revolutionary new product.

Our clients can enjoy massive cost savings on mass volume traditional taped security products.

- ✓ SAFE
- ✓ SECURE
- ✓ RELIABLE
